

Katherine Mansfield and the 'Blooms Berries'

An international conference organized by the Katherine Mansfield Society, to be held at the Newberry Library in Chicago, Illinois, USA

28-30 May 2015

Keynote Address:

Professor Sydney Janet Kaplan (University of Washington)

What better venue to explore Mansfield's interrelationship with the members of Bloomsbury than the beautiful Newberry Library in Chicago, the world's second largest holder of Mansfield's papers. As part of the conference, Huntington University will sponsor an exhibit of some of the library's Mansfield holdings. Plans for Saturday include a trip to the Art Institute of Chicago to visit its world-renown collection of Impressionist paintings. Other attractions include the Chicago Field Museum and the Shedd Aquarium.
